Newest Plans On Districting Get Nowhere

LANSING (AP) — Michigan's legislature—deadlocked on congressional redistricting and told it can't act on legislative reapportionment — temporarily has abandoned efforts to solve both questions.

Lawmakers halted two days of fruitless proceedings Wednesday. They agreed to a recess that will keep them from the capitol until 8 o'clock next Tuesday night.

House Republicans caucused twice to discuss a compromise congressional plan approved Tuesday night by the Senate, but they found insufficient support to approve it.

"We're right where we were a week ago, and two weeks ago," said one GOP member.

Adding a new element to the controversy, meanwhile, was a letter from Atty. Gen. Frank Kelley to legislative leaders. It informed them that, by a consensus of his legal staff, the legislature has no right to reapportion itself.

The opinion does not apply to congressional apportionment, however.

Kelley's letter evoked a mixed reaction from legislators.

In the Senate, Republican majority leader Stanley Thayer of Ann Arbor said, as a lawyer, he always has taken the position outlined by Kelley. There is no constitutional provision allowing the legislature to reapportion its own seats, Thayer said.

Thayer said, however, the legislature should not jam on the brakes and halt its plans.

"The issue eventually will be decided by the courts anyway," Thayer said.

Lt. Gov. T. John Lesinski expressed disappointment with the opinion from Kelley, a fellow Democrat. Lesinski, also an attorney, said:

"This is liable to complicate our work around here a little bit. The legislature has an inherent right to make certain it will continue to exist, although this does not necessarily mean preserving itself in its present makeup."

Brazil Drops Castro Regime

RIO DE JANEIRO, Brazil (AP) — Brazil's new government has severed diplomatic relations with Cuba, accusing the Castro regime of trying to spread communism in Latin America's biggest nation.

The break had been expected since rightist military and political leaders ousted left-wing President Joao Goulart April 1. Goulart's government had warmed up to Cuba and other Communist countries.

The action Wednesday left only our Latin-American nations—Bolivia, Chile, Mexico and Uruguay—with diplomatic ties with Cuba.

Weather

By The Associated Press

Upper Peninsula — Fair this afternoon, warmed west and central portions. Partly cloudy tonight and Friday with a chance of some brief showers late tonight or Friday. Warmer tonight with little temperature change Friday. Low tonight in the 40s, high Friday 55 to 65.

Lower Michigan — Fair through Friday although some cloudiness north Friday. Cooler east tonight with some scattered frost likely. Not so cool northwest. Warmer over the entire area Friday. Low tonight 35 to 44, high Friday 64 to 72.

Highest temperature Wednesday, 60, lowest, 47.

Highest temperature one year ago today, 65, lowest, 51.

Highest temperature this date since 1872, 91 in 1962, lowest, 34 in 1910.

The sun sets today at 8:12 p.m., and rises Friday at 5:17 a.m.

Police Chase Bags Robbers At Thompson

By ROSE LaCHAPPELLE

MANISTIQUE—Prompt citizen action resulted in the apprehension Wednesday night of two young K. I. Sawyer Air Force Base airmen 10 minutes after they robbed Vaughan's grocery and meat store at 318 Deer St. of \$203. The capture was at Thompson, 7 miles from the holdup scene.

Clarence Albert Hill, 20, of Lexington, Ky., and John Allen Hanna, 23, of Hobart, Ind., are being held in the Schoolcraft County Jail on a charge of robbery.

The two were arrested by City Police Officer Joseph McDonough at 9:13 p.m. State Police also worked on the case after being alerted at 9:03 p.m., a few minutes after it occurred.

Officers said the two admitted under questioning that they robbed the grocery and also that they robbed the Eagle's Nest Bar 7 miles north of Menominee on May 5. About \$100 was taken there.

At Vaughan's Grocery here Hill walked in and Hanna remained in the car. When clerk Mary Lou Burns, 25, asked Hill what he wanted he said that he was "just looking." He bought a package of cigarettes.

Shows Gun

When a woman who was in the store left, he walked to the cash register, opened his coat and showed Mrs. Burns the stock of a gun tucked in his

trouser belt. He told her to put all the money in a paper bag, putting the big bills in first. She said "You're kidding!"

"No I'm not," he said and he put a hand on the butt of his gun.

She began putting the money from the register in a paper bag and a man, tentatively identified as Clifford Barber, came to the store door. Hill quickly said "That's enough," grabbed the bag and money, and ran out of the store.

As he rushed out he ran past a Manistique gas station operator, Lee Hewitt, who was going into the store.

Chased on Foot Mrs. Burns shouted to Hewitt that the store had been robbed and Hewitt chased Hill on foot to Mackinac St., about a half block away, and saw Hill enter the car. He followed and saw John Pelon driving by on Mackinac St. and got into his car in chase and followed the get-away car to U.S. 2 and Chippewa St. Hewitt got out and phoned the State Police from a gas station while Pelon continued on in pursuit of Hill's car, a 1963 white convertible Chevrolet Monza.

About two blocks down the highway Pelon saw City Police Officer McDonough making a property check at the Edison Sault Electric Co. plant and told McDonough that the

Staebler Backed By Democrats In 55 Conventions

By The Associated Press

Almost all of Michigan's Democratic county conventions endorsed Congressman-at-large Neil Staebler for nomination for governor Wednesday night, a majority of returns indicated.

The virtual clean sweep by Staebler backers was indicated by his endorsement in 55 of 57 county conventions reporting their actions. This included Wayne County which had six district conventions that supported Staebler.

The Staebler for Governor headquarters in Detroit claimed endorsement in all major industrial counties. Besides Wayne County, Staebler won approval in Washtenaw, Oakland, Muskegon, Monroe, Kalamazoo, Jackson, Genesee, Berrien, Allegan, St. Clair and other counties, a spokesman said.

Marquette Uncommitted Marquette and Lapeer county conventions remained uncommitted in instructing their delegates to the Democratic State Convention in Lansing June 12-13.

Many of the 82 county conventions endorsed former Gov. John Swainson for Democratic national committeeman. Staebler gave up this post about a week ago because of his campaign.

Staebler, in keynote speeches at the Oakland and Genesee

county conventions, accused Gov. George W. Romney of causing "confusion and ineptitude" in state government.

He also charged the Republican governor with twisting facts "to suit himself" in his dispute with GOP senators who joined with Democrats in passing legislative and congressional redistricting bills.

Speakers Rap Romney

Keynote speakers Swainson and State Democratic Chairman Zolton A. Ferency also lit into Romney.

Ferency predicted Romney would be the Republican candidate for vice president, running either with Arizona Sen. Barry Goldwater or former Vice President Richard N. Nixon.

Ferency, making the forecast at the Barry County convention at Hastings, said, "We Democrats couldn't care less. We'll beat George Romney wherever he runs."

Both Staebler and Swainson assailed Romney for his "quisling" reference to the 10 Republican senators who supported the redistricting bills.

Romney denounced the 10 as "quislings" in a speech to his party's state convention last week at Grand Rapids. The GOP convention unanimously endorsed Romney for re-election and urged him to declare his candidacy for a second term.

The term "quisling" came into the language because that was the name of the Norwegian Vidkun Quisling who betrayed his country to the German Nazis in World War II.

The last stop, before Romney returns to Lansing and the rest of the group flies back to Detroit, will be the dedication of a new U.S. Plywood Corp. plant at Gaylord.

Many blocks away, 800 children were attending classes in Lincoln Elementary School. They were not endangered.

Cleared Area Missed

The plane plummeted to earth at the far edge of the development, just short of a cleared area the pilot was fighting to reach.

Five blocks away, 800 children were attending classes in Lincoln Elementary School. They were not endangered.

Ministers Of NATO Move To Ease World Tensions

Defense Chief Optimistic On Viet Nam War

WASHINGTON (AP) — Secretary of Defense Robert S. McNamara flies back to the capital today from a fifth inspection trip to South Viet Nam publicly optimistic about the war against the Communist Viet Cong.

"I am convinced," McNamara said Wednesday on a stopover at Honolulu, "that the persistent execution of the political and military plans which the South Viet Nam government has and which we are supporting will lead to a successful conclusion of this war."

President Johnson will want to know the details that support this optimism and presumably will have McNamara report quickly. But whether Johnson will see him today is uncertain because the President is flying to Missouri to attend the funeral of Rep. Clarence Cannon, D-Mo.

Before leaving Saigon, McNamara said marked progress had been made in implementing plans to increase the strength and firepower of the Vietnamese air force.

But in Honolulu he sidestepped a question of whether structural failure had led to the losses of some planes used in the war—a possibility. Secretary of the Air Force Eugene M. Zuckert conceded in a letter to Chairman Carl Vinson, D-Ga., of the House Armed Services Committee released in Washington Wednesday.

The war effort will be long and drawn out, "we should not delude ourselves on this score," McNamara said. At the same time he said he had never estimated the possible length of the war.

Some earlier reports from Saigon (not Associated Press) quoted him as saying the war would last five to 10 years.

"I was misquoted in Saigon," McNamara declared at Pearl Harbor.

Shipping Of Food And Medicine To Cuba Restricted

WASHINGTON (AP) — The Commerce Department ordered today restrictions on shipment of food and medicine to Cuba.

Under existing orders, these were the only two categories of goods which could be shipped to the Communist-dominated island without specific government permission.

The department now will require a specific license for the sale of goods and medicines as well as any other item. The only exception will be gift parcels.

"This is not an embargo," a department spokesman said. "We merely want to put these things under surveillance."

Under the license requirement, a U.S. businessman who wants to sell goods to Cuba would have to formally request and obtain approval of the sale by the department.

The last stop, before Romney returns to Lansing and the rest of the group flies back to Detroit, will be the dedication of a new U.S. Plywood Corp. plant at Gaylord.

He was to head for a clear area, just beyond the tract the plane had been flying over.

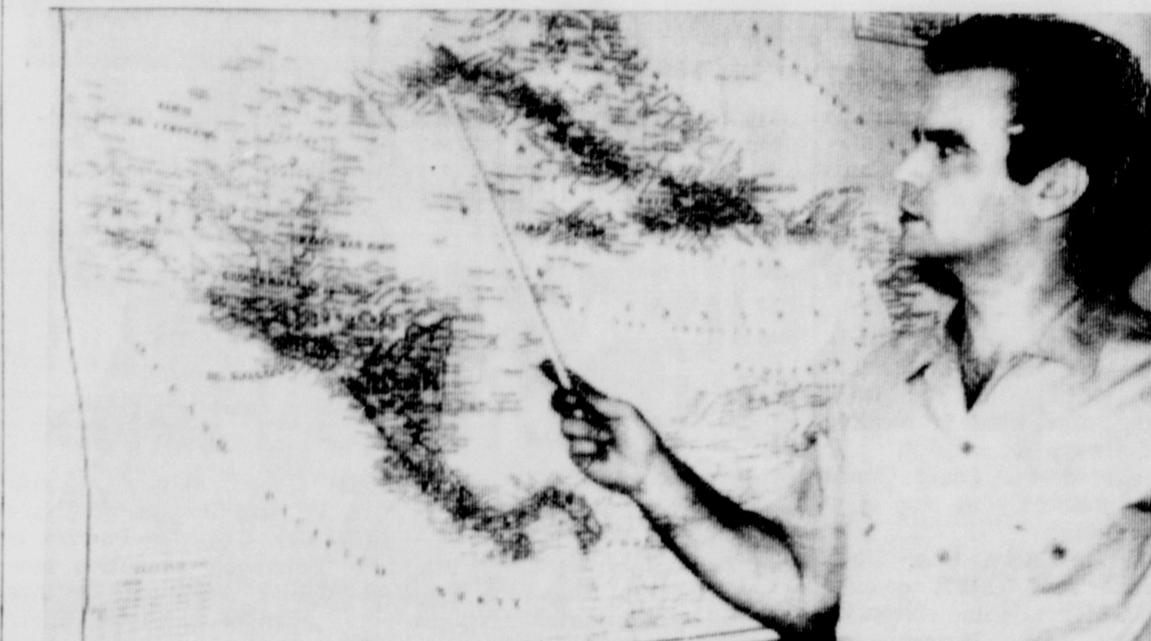

"I was rounding the corner and could see the plane coming in nose up and tail down. It struck the first house with the tail aflame and skidded across the rooftops to other homes."

Builders Warned

Two weeks ago, in an interview, Brig. Gen. Boyd Hubbard, Nellis commander, had warned contractors that building homes close to the air base was "court-martialed disaster." The development is seven miles away but in the path of runways, those on the scene said. Its homes are in the \$15,000 price range.

He was told to head for a clear area, just beyond the tract the plane had been flying over.

Vincent Rohde, another eye-witness, said that when the plane hit "it was like a bubble filled

THERE WILL BE more attacks on Cuba, says Manuel Artimo, exile head of the anti-Castro revolutionary movement. Artimo points to a spot on the map as he reports a "very successful" dynamiting of a sugar mill on the southeastern coast of Cuba. (AP Wirephoto)

Romney Begins Michigan Week Tour Of State

Exile Forces Predict More Attacks In Cuba

DETROIT (AP) — With Gov. George W. Romney assuming the role of an economic Pied Piper, "Michigan Week" promoters prepared today for a two-day flying tour of the state as an advance keynote to the annual observance.

The governor, Michigan Week Movement, a military action group, said in its "first war communiqué" Wednesday that a combined raid by seaborne commandos and guerrillas already in the hills gained control of the port of Pilon for three hours and left the sugar mill burning. It said other raids would come soon.

Prime Minister Castro in a statement acknowledged the attack, but said it came from a ship standing at sea and not from ground forces.

Castro's angry comment was broadcast by Havana Radio about 15 hours after the attack, which the exiles said took place at 3:30 a.m. Wednesday.

The communiqué did not give the number of the attacking force but listed commandos, frogmen, combat engineers, signal corps and torpedo units, as well as guerrillas, as participants.

The exiles claimed they suffered no losses but said there was "tenacious fighting with a numerically superior Communist army. A spokesman for the invaders said Castro forces suffered considerable losses.

While commandos held Pilon, said the communiqué, engineers set off demolition charges at the mill, then withdrew. Guerrillas returned to the hills, the exiles said. Some townpeople in the area welcomed the attackers, they added.

Castro said the U.S. government, "not satisfied with the economic blockade and other aggressions, is using mercenaries and traitors to carry out acts of vandalism.

The U.S. State Department denied it.

Castro said the attack caused loss of 70,000 bags of sugar (of 220 pounds each), that many houses of workers were

Fate Of Straits Railway Ferry Nears Deadline

GRAND RAPIDS (AP) — An effort to buy time to avert a threatened railroad service cutback continued here today in U. S. District Court.

Only 10 days remain under Coast Guard order before the Straits of Mackinac railroad car ferry Chief Wawatam must undergo boiler repairs or quit running.

Mackinac Transportation Co., the car ferry operator, has petitioned to abandon the service. Three railroads seek to quit hauling freight on 343 miles of northern Michigan track if the car ferry is lost.

All the petitions come before an Interstate Commerce Commission hearing July 8 at Cheboygan.

Injunction Asked

State Atty. Gen. Frank J. Kelley, representing the Michigan Public Service Commission and 32 members of the Committee for Rail and Ferry Retention (CRFR), asks that the vessel be kept running until the ICC rules on the petitions.

Kelley's request for an injunction to this effect is being heard by U. S. District Court Judge Noel P. Fox.

In opening sessions Wednesday, two Great Lakes veterans said the Wawatam could be towed across the straits by tug. Retired Wawatam skipper M. J. Bishop said this would bypass the Coast Guard order and preserve the service link between peninsulas.

He was supported by Roen Steamer Co. Capt. Nicholas Wagener of Sturgeon Bay, Wis. Wagener said the tug John Purves not only could do the job but was available.

In Service

Airman Floyd J. Hanson, son of Mr. and Mrs. Charles L. Hanson of Stephenson Rte. 2, has completed the first phase of his initial Air Force basic military training at Lackland AFB, Tex. He was selected for technical training as a metal repair specialist at the Air Training Command (ATC) school at Amarillo AFB, Tex. The airman is a 1960 graduate of Stephenson High School.

Wisconsin Band Will Play Here

The 60-member Wisconsin State College Orchestra will play for an Escanaba Area High School student assembly at 10:45 a. m. Friday in the gymnasium. It is announced by John Chown, Area High School band director, who made arrangements for the College band from Oshkosh to play here without cost to the Area school.

The band is composed of Wisconsin State students and is directed by David Zeff.

Featured soloist will be Dr. James Kohn, pianist, who will play Brahms' Piano Concerto.

Boundary Mark Site Preserved

Michigan and Wisconsin, and the Ottawa and Nicolet National Forests in these two states, will dedicate a new and unique historical site this summer. In a joint announcement issued by the Michigan Historical Commission, State Historical Society of Wisconsin, and forest supervisors of the two forests, the date for the dedication of the State Line Historical Site at Brule Lake in Iron County, Michigan, and Forest County, Wisconsin, was set for July 23.

This historical site commemorates Mile Post Zero of the overland portion of the Michigan-Wisconsin boundary and the remains of the Treaty Tree where surveyors of the War Department and General Land Office made treaty with local Indians before they could proceed with their surveys.

As part of the settlement of the "Toledo War" between the two states of Michigan and Wisconsin, most of the Upper Peninsula of Michigan was granted to Michigan for the "Toledo Strip," which was granted to Ohio. The acts of Congress establishing the Territory of Wisconsin and Michigan's admission as a state in 1836 provided for the new boundary. Captain Thomas Cram, U. S. Corps of Topographical Engineers, attempted to establish the boundary in 1840 and 1841.

The boundary was described as "running from the mouth of the Montreal river; thence, through the middle of the main channel of the said river to the middle of the Lake of the Desert (now Lac Vieux Desert); thence in a direct line to the nearest head-water of the Menominee river"; thence to Lake Michigan. Early maps indicated that the Montreal River flowed west and the Menominee River flowed east from Lac Vieux Desert. Needless to say, there was considerable consternation when Captain Cram reported that the early maps were inaccurate and there was need for a long overland boundary survey.

Captain Cram proceeded to locate the route of the survey in 1841. As the starting point for the survey, he established

State GOP Leadership

The Michigan state Republican party convention at Grand Rapids May 9 cleared the air a bit.

Gov. George Romney emerged from it strengthened. The party has been trending its old splintery way in its first administration of the state in 14 years and the state convention's preparations for Michigan's participation in the coming GOP national convention in San Francisco provided a test of its intentions.

Governor Romney has not formally announced his candidacy for re-election as governor yet and some party elements have been giving their encouragement to George Higgins, an ultra-conservative defeated state senator from Ferndale as a Republican rival. Romney has been faced by an insurgent GOP bloc in the Senate led by John Smeekens (Coldwater) and Kent Lundgren (Menominee) and there have been other areas of party abrasion.

That the Republicans should blow their chance to run Michigan again after so many years of Democratic-Labor rule might seem hopelessly inept, but the troubles that have developed in the Republican administration were probably inevitable. The Republican party in the state represents a coalition of conservative thinking which ranges from the near in, liberal right to a far out, illiberal, ultra-conservative, reactionary stand-patism.

Democratic Governor Soapy Williams squeaked through to re-election several times more because the Republicans could not agree to unite than because the Democrats were so numerous. Paul Bagwell could never get all the Republicans to vote for him as their party's nominee, so why should George Romney be expected to get the unanimous support of either the party or its members in the Legislature?

Romney clearly made a great personal contribution to the Republican victory in Michigan in 1962, just as Dwight Eisenhower did in the party's capture of the Presidency. People were voting for the candidate, as well as the party symbol.

In office as governor, Romney has given state Republican administration a new cast. While conservative, it is more liberal than the old hard core Republican opposition that developed during the long Democratic leadership of the state. The Romney administration has been able to create quite a progressive image and it has had the good luck to coincide with an economic upturn in the state.

Romney has matured politically a good deal in his first year and a half in office. He has learned the hard way that the super-salesmanship which made him world-famed as the champion of the compact automobile can't always prevail in the political arena. There's a new hardness in the Romney administration. The tolerance of intraparty opposition is more limited. (There's enough opposition from the Democrats!) It showed at the party convention.

Romney denounced as political "Quislings" a group of GOP lawmakers who joined with Senate Democrats in an apportionment deal. The convention gave Romney control of Michigan's delegation to the GOP national convention. The delegates aren't legally bound to the governor, but most were elected only after the convention assured itself that they would stick with Romney until he released them.

The Michigan convention thus raised a real possibility that Romney's name would be placed in nomination as a favorite son candidate for President. The real purpose of a native son resolution adopted by the convention, however, was to keep the Michigan delegation united so its strength could be used in convention maneuver.

The Grand Rapids convention was oriented toward San Francisco, but it sent some strong signals to Lansing, too. There's a new demand for party solidarity. There has been considerable political talk about the possibility of consideration of Romney for the Presidency, but it could work in reverse, too. The nomination of Sen. Barry Goldwater at San Francisco might affect the Romney chance for re-election in Michigan. There are at least 8 Michigan delegates friendly toward Goldwater, with 4 or 5 ardent Barryites among them, but only one (Richard Durant) has said he'll vote for Goldwater on every ballot.

Reasons Why

With the new role of television as concert master and an unprecedented sale of good music in recordings is the community concert passe?

"No siree!" says Mrs. M. H. Garrard Jr. "There's nothing that beats a live performance."

She is such a friend of music that some of her ardent might be charged to her affection for the art, but she makes an eloquent plea for support of the Delta County Community Concert Association's current membership drive ending Saturday. (Headquarters are in the Chamber of Commerce Building and it's \$8 for adults and \$4 for youth for the year's concerts.)

"We have so many young people in music today," said Mrs. Garrard "and they think they're pretty good when they get an 'A' rating, as so many of them are doing. Their reaction is 'We're pretty good' and it is good for them to compare their performance with that of a virtuoso, a professional."

Actually, the young are an important support of Community Concerts, with the help of the banks and industries which give tickets to deserving youths. The concert series and the school music program have been operating long enough so that Concert Association memberships are now being taken by former students who have been introduced to the delights of live music.

There comes a point in artistic development where the person knocks off reading Shakespeare and goes to see one of his plays performed. Only then does it come over as the Bard tried to create it (albeit considerably changed from what went on at the Globe).

Something of the same sort goes on in music. It's wonderful that it's available on radio and TV, and in restaurant Muzak, bar juke boxes and home players. But the concerts that come to us three or four times a year in Escanaba offer something extra, the virtuoso in the flesh, the full substance of the performance to enlarge the listener.

If enough persons respond this week there'll be a fourth concert in the 1964-65 series. The auditorium has 299 seats and not more than 650 of them have ever been sold. Here's room for growth.

Washington Comment

By RAY CROMLEY

WASHINGTON—(NEA)—

The psychologist is coming in to his own in the Pentagon.

The Navy, Air Force and Army now have groups of

research men quietly determining what military weapons, strategy and maneuvers have the greatest psychological effects before and during wars and guerilla operations.

The aim is to discover better ways to prevent the Reds from starting wars, to worry them into quitting wars they've started and to scare them away from escalating conventional wars into all-out nuclear struggles.

Some of the thinking has been winning favor among the upper brass in the three services. It will be considered in the months ahead for application to South Viet Nam, Western Europe and other global trouble spots.

The results of these studies have not been made public. But here is some of the tentative thinking:

On anything less than all-out war, be wary about destroying enemy homes and killing civilians. Death of his civilians almost invariably commits an enemy to fighting. At the beginning of a conventional war, be careful not to destroy too many enemy troops; it gives the enemy a chance to pause and think before escalating the war into a nuclear holocaust.

Convince the enemy you've got more strength you can throw into the fight, if necessary. Specifically, make certain that he knows that if he escalates the war, using more troops and bigger weapons, you're capable of more than matching anything he throws

in and that you're willing to do it.

Convince the enemy that if he doesn't accept your terms and quit, then the war is going to get worse.

Develop more accurate weapons to do the precise job to be done and no more. Specifically, we need highly accurate, tiny nuclear weapons with firepower equivalent to only a few hundred pounds of TNT—less than a millionth of the power of a Polaris or Minute-

man.

Today's nuclear weapons used in Europe, would escalate a European war into all-out nuclear war. Conventional weapons probably couldn't win. Therefore, neither are credible. Tiny, extremely accurate nuclear weapons could knock out military targets without killing civilians or destroying homes.

We could begin by knocking out supply lines, communications, ammunition depots, airfields. We'd have our big power in reserve. This would stop the Russians in a way that would cause them to pause and think before escalating the war into a nuclear holocaust.

Convince the enemy that if he doesn't accept your terms and quit, then the war is going to get worse.

Develop more accurate weapons to do the precise job to be done and no more. Specifically, we need highly accurate, tiny nuclear weapons with firepower equivalent to only a few hundred pounds of TNT—less than a millionth of the power of a Polaris or Minute-

man.

Today's nuclear weapons used in Europe, would escalate a European war into all-out nuclear war. Conventional weapons probably couldn't win. Therefore, neither are credible. Tiny, extremely accurate nuclear weapons could knock out military targets without killing civilians or destroying homes.

We could begin by knocking out supply lines, communications, ammunition depots, airfields. We'd have our big power in reserve. This would stop the Russians in a way that would cause them to pause and think before escalating the war into a nuclear holocaust.

On anything less than all-out war, be wary about destroying enemy homes and killing civilians. Death of his civilians almost invariably commits an enemy to fighting. At the beginning of a conventional war, be careful not to destroy too many enemy troops; it gives the enemy a chance to pause and think before escalating the war into a nuclear holocaust.

Convince the enemy you've got more strength you can throw into the fight, if necessary. Specifically, make certain that he knows that if he escalates the war, using more troops and bigger weapons, you're capable of more than matching anything he throws

in and that you're willing to do it.

Convince the enemy that if he doesn't accept your terms and quit, then the war is going to get worse.

Develop more accurate weapons to do the precise job to be done and no more. Specifically, we need highly accurate, tiny nuclear weapons with firepower equivalent to only a few hundred pounds of TNT—less than a millionth of the power of a Polaris or Minute-

man.

Delta Demos Ask Unit Rule At Convention

Delta County Democrats elected 11 delegates to the State Democratic Convention in Lansing June 13 and 14 alternates at their convention in the Escanaba Chamber of Commerce Building Wednesday night and endorsed Neil Staebler for election as governor and urged the re-election of U.S. Senator Philip A. Hart.

Mrs. Esther Meier, acting chairman of the Delta County Democratic Committee, opened the convention and it elected Robert Olsen of Escanaba, 11th District Democratic chairman as convention chairman.

The convention, attended by 50 party members, decided to be bound by the unit rule in the state convention voting, casting its 11 votes as a solid block in the 11th District caucus and to recommend that the 11th District also be bound by the unit rule on the convention floor.

Women Active

Mrs. Verna Murray reported on women's activities, including a radio broadcast here by Adelaide Hart at 10 a.m. May 25 and a card party to be held at the Teamster's Hall at 8 p.m. June 4.

Selected delegates were: Thomas Cleary, Lansing; John

Bay College In Concert Series

Trustees of Bay de Noc Community College announced today that the Community Concert Series will be made a part of the student activities program for full-time students of the College.

The students and the administration of the College who are working on the Community Concert drive reported the series holds excellent educational values as well as being first class entertainment and requested that the concerts be made available for all of the college students. The action will add approximately 200 memberships in the Community Concert list and Conrad Beck, president of the Delta County concert series, observed that it will therefore be possible to add another program to the series.

Richard Rinehart, Bay College President, pointed out that the students who are commuting from other cities will also be able to use their memberships in Menominee and Iron Mountain as well as Escanaba.

He said that programs such as the Robert DeCermier folk singers are exactly the type of college lecture-concert series found to be the most heavily attended, and that the addition of the Community Concerts to the college activities would make the Bay de Noc Community College lecture-concert series comparable to that of other colleges in the United States.

Obituary

ALEX LaPALM

Funeral services for Alex LaPalm were held at 10 a.m. today at St. Thomas the Apostle Church with Father Arnold Thompson officiating. Burial was in Holy Cross Cemetery. Pallbearers were Carl Benson, William Casey, Delbert Potvin, James Schwalbach, Randall Boese and Angelo Benedetto.

Alleged Killer Of Officer Mute

DETROIT (AP) — Alleged cop killer Bruce W. Leikett was arraigned on a fugitive warrant in his hospital room Wednesday. He stood mute and a plea of innocent was entered for him. Leikett, 26, a Detroit charged with shooting two Fredericksburg, Va., policemen to death, was arraigned before a justice of the peace at Wayne County General Hospital.

Alternates are: Jack T. Miller, Rapid River; Rhoda Miron, James Chapekis, Richard Ollivant, Elvira Vader, Lee R. Wiles, Pearl Tobin, all of Escanaba; Mary Farrell, Okemos; Clarence Dittrich, Ford River; Lorna Dotsch, Garden, and Fred Schram, Gladstone.

Resolutions adopted by the convention:

1. Resolved full support by the County Committee of the principles for which John F. Kennedy lived and died . . . and that President Lyndon B. Johnson be commended for the vigorous way in which he took the reins of our country in its darkest hour. The committee gives its unqualified support to his candidacy for the Presidency and wishes him every success as he leads the country toward peace and prosperity."

2. Resolved support of the candidacies of Congressman-at-Large Neil Staebler for Michigan governor, and of U.S. Senator Philip A. Hart for re-election.

Swainson Recommended

3. Accepted with regret the resignation of Neil Staebler as Michigan Democratic national committeeman and recommended the election of former Governor John B. Swainson to fill that position. "Governor Swainson's vast experience, courage and humanitarian approach make him eminently qualified."

4. Endorsed medicare by social security payments, and support of the King-Anderson Medicare Bill in Congress.

5. Recognized and thanked Delta County Democratic officers "who have been doing an exceptional job for all the people of this county. The Committee is proud that the per capita cost of Delta County government is among the lowest, most economical and efficient among the 83 counties of Michigan according to figures released by the auditor general's office. We are proud of Prosecuting Attorney Nicholas P. Chapekis, County Treasurer Ann Villeneuve, County Clerk William E. Butler, County Sheriff Cully Johnson."

6. Congratulated State Rep. Einar Erlandsen "for his success in getting the State of Michigan to buy and take over the State Office Building in Escanaba and thanks him for his persistence in this fine effort in accomplishing this transaction; and enabling the City of Escanaba to proceed with much-needed public building plans."

7. Thanked James P. Chapekis "our county chairman from 1958 to 1964 for an outstanding job in his years of service for the party."

Altar Society Meeting Held At Hermansville

HERMANSVILLE — A large group of ladies attended the May meeting of St. Anne's Altar Society of St. Mary's Church, Hermansville, which was held in the parish hall.

Catholic mothers of the 1964 graduates of the local high school were particularly invited to the meeting to work out details for the Communion Breakfast, a long-time annual event in the parish. All graduates and the faculty of the local school will be invited to attend the 7:30 Mass Sunday, May 31, and the breakfast will be served by the mothers in the parish hall immediately after. Catholic members of the class will receive Corporate Communion.

Since there are no Society meetings during the summer months, the May meeting was used to formulate plans for the Fall Festival which is tentatively scheduled for Sept. 12.

Tickets will be in the hands of parishioners in early summer, which will eliminate the confusion incident to planning the affair in early September.

Mrs. Ed LaMaire and Mrs. Mary Weaver, delegates to the MDDCW convention at Ironwood, gave a short summary of the events which transpired there and brought back to the members something of the activities of each Section of the Council Program during the past year, and a message on the hopes and plans for the coming year.

New dishes have been purchased for the modernized parish kitchen. The Society also purchased a new supply of Bishop Baraga Prayer leaflets for use at its meetings.

Lunch and a social hour followed the business meeting.

Briefly Told

Escanaba police have issued traffic court summonses to Kathleen E. Richards, 206 N. 18th St., failing to yield the right of way; and to Shirley S. Smith, 420 S. 18th St., failing to stop for a school bus unloading children.

Six other houses suffered minor damage from the shower of flaming debris.

Police first reported seven killed. Later Chief Nick Janise said two bodies proved to be those of animals, presumably pets.

Hebert, son of Mr. and Mrs. Curtis L. Hebert, was an advanced flying school student. He was commissioned after graduation from Baylor University in 1960.

Isabella Committee Meets

The planning committee for the Memorial Day dinner to be served May 30 at Isabella Community Building, met Tuesday afternoon at the home of Mrs. Vernon Peterson. On the serving committee are Mesdames Ted Sundin, Harvey Sundin, Elmer Lake, Henry Turen, Jacob Landis, Jr., Albert Watchorn, Martin Olson, Monroe Harrison, Carl Frans and Earl Aiken. Gifts of money were presented to the honor guests. A blue and white birthday cake centered the buffet table. Others attending were Mrs. Henry Rose, Mrs. Alfred Mattson and Mrs. Wilfred Mattson. The dinner is for the public.

Guests of Mrs. Esther Boni were Mr. and Mrs. George Froggett of Douglas, Wyo., Mrs. Stella Sugrue and Stuart Sweet of Detroit.

ASTRONAUT Charles Conrad (center), who one day may ride to the moon in a similar spacecraft, inspects a test capsule after it landed at White Sands Missile Range, N.M. The craft was launched with a Little Joe II rocket and parachuted back to earth. (AP Wirephoto)

Police Chase Bags Robbers At Thompson

(Continued from Page 1)

Vaughan grocery had been robbed and that the white car was the robber's.

McDonough pursued the car in his police car with Pelon and three companions also in pursuit in the Pelon car. Pelon's companions were Douglas Demars, Jerry Rich and Tim Charter.

Tops 110 MPH

McDonough said he went at speed over 110 miles an hour in pursuit of Hill. The Hill car had about a two or three block lead over the police car but McDonough overtook it at Thompson, 7 miles away. The men had thrown from the car a .22 caliber target revolver which police recovered two-tenths miles east of Thompson Creek.

When questioned, Hill and Hanna said the gun was not loaded during the holdup but when officers found it in a ditch on the north side of the highway it had 7 loaded cartridges in it.

After stopping the fleeing car by pulling alongside, McDonough told the men to get out with their hands up. He checked them for guns and as he was putting handcuffs on them the Pelon car drove up. Hill said that they could see the flasher of the pursuing police car when two miles from Thompson and threw out the gun.

Professed Innocence

McDonough used the assistance of the Pelon group and had Pelon ride with him in the police car with Hill and Hanna and had Ridge drive back the get-away car.

When McDonough stopped at Thompson, Hill said "What's this about?" He and Hanna at first professed no knowledge of the holdup.

Enroute to Manistique the police car met State Troopers Hugh Fish and Gerald Brooks, who were enroute to the scene, and they accompanied the group back to Manistique.

A check of the Hill car at the State Police Post revealed the \$203 taken from the Vaughan store under the front right seat.

State Police detectives were due at noon from Marquette to continue the questioning of the two airmen. They were not in uniform, but said they were from the K. I. Sawyer Air Force Base.

Praise Citizens

Hanna told officers that he and Hill planned both the Manistique robbery and the Eagle Nest robbery near Menominee. Asked why they planned the robberies, Hanna said he had no excuses and Hill said he wanted money to go to college.

The men are good looking, of light complexion and officers said they could pass for high school seniors or college youths.

Both city and state police officers praised Mrs. John Burns, the cashier in the store, for her cool-headed appraisal of the robber. She identified Hill later as the robber. Police also praised Hewitt, Pelon and their companions.

McDonough estimated that he apprehended the men 10 minutes after the store was robbed.

Arraignment on robbery charges is planned Friday.

Cornell

Birthday Party

Mrs. Warren Rose, Mrs. Mary Backland and Mrs. Alfred Dahl, Jr., were honored at a joint birthday party held at the Alfred Dahl, Jr., home Tuesday evening. Prizes in games were awarded to Mesdames Ted Sundin, Harvey Sundin, Elmer Lake, Henry Turen, Jacob Landis, Jr., Alfred Dahl, Sr., Inland St., Int Bus Mch., Mont Ward, NY Central, Penney, JC, Pa RR, St. Brand, Std Oil N J, US Steel.

Course Of Nile River Diverted

ASWAN, Egypt (AP) — Triumphant pushing a button, Premier Khrushchev and President Nasser altered the course of the Nile today and sent it surging into a diversion channel around the site of the Soviet-financed Aswan High Dam.

Joining the leaders in the ceremony marking completion of the first stage of the \$1.3-billion irrigation and hydroelectric project were Presidents Abdel Salam Aref of Iraq and Abdallah Sallal of Yemen.

Khrushchev jubilantly joined hands with the Arab leaders as they gazed down on the rushing waters from a richly carpeted pavilion.

The button set off a 352-pound dynamite charge that blew out a plug of rock and earth and allowed the Nile to flow into the channel cut through granite.

Fireworks shot into the sky. Some of them formed the flags of the Soviet Union and the United Arab Republic.

The ceremony, before more than 35,000 spectators, marked a milestone in the project begun four years ago and for which the Soviet Union has loaned more than \$270 million in credits and supplied several thousand engineers and technicians. It is Moscow's greatest aid venture in Africa.

Diversion of the Nile will permit work to go forward on the dam itself, a rock fill structure 2.6 miles long and 436 feet. To be completed in another five years, it will harness the Nile for power development, flood control and increased irrigation.

North Central Ruling Checked

(Continued from Page 1)

WASHINGTON (AP) — The Civil Aeronautics Board decided Wednesday to take another look at the regional airport potential in an area largely within Wisconsin — served by North Central Airlines.

The board ordered a review of a Feb. 19 initial decision by examiner Edward T. Stodola, and stayed its effectiveness.

Stodola found in a multiple ruling that:

North Central should continue to serve Green Bay, Clintonville, LaCrosse, Rhinelander, Land O'Lakes and Ashland, Wis., and Ironwood, Mich., and Winona, Minn., through the respective home airports.

Choir Will Sing At Stephenson P.T.A. Meeting

STEPHENSON — The Mid-County 4-H Choir under the direction of Carol Hayward, a Stephenson High School senior, will perform at the Stephenson PTA meeting which will be held at the Stephenson Elementary all-purpose room Tuesday, May 19, at 8. Officers elected for the 1964-65 school year will be installed at ceremonies conducted by Edmer Lacasse, Stephenson High School Principal.

At this meeting, the final meeting of the school year, a picnic consisting of Joseph B. Gucky, Superintendent, Herbert Whitaker, Stephenson Elementary principal and Edmer Lacasse, High School principal, will review the 1963-64 school year and also discuss plans for the 1964-65 school year.

Stephenson Junior Honored

STEPHENSON — Miss Margaret A. DeMille of rural Stephenson, a junior in Stephenson High School, has been selected to participate in the sixth High School Honors Science program to be held at Michigan State University this summer. The program begins June 21, and will end on July 31. The grant includes a stipend to cover the cost of tuition, board and room.

Students for the Honors Science program are selected on the basis of high academic achievement in high school, particularly, in the field of science and mathematics.

Miss DeMille is the daughter of Mr. and Mrs. Rupert DeMille.

Negro Soprano's Show Sold Out In Atlanta, Ga.

EDITOR'S NOTE — Racial lines have been erased in much of Atlanta's cultural life — the theater, movies, art galleries and concerts — as well as in governmental and business affairs. Underscoring these changes is an appearance by Leontyne Price, the Negro opera star, before an integrated audience.

By DON MCKEE

ATLANTA, Ga. (AP) — Ticket demands have been overwhelming for tonight's Metropolitan Opera performance of "Don Giovanni," starring Leontyne Price, the Negro soprano. "Everybody, it seems, selected tonight and the seats have been sold out for a long, long time," said Alfred D. Kennedy, president of the Atlanta Music Festival Association Inc.

Miss Price, who started her climb to stardom as Bess in the 1952 revival of "Porgy and Bess," got warm receptions from integrated audiences in her hometown of Laurel, Miss., in two appearances there — the latest about a year and one-half ago.

Busy Program For Boosters

STONINGTON — Stonington Booster Club meets every second Monday of the month at the Stonington Community Building. Orville Pedersen is president of the Boosters. The club has over 200 members. Its purpose is to boost the Stonington Peninsula, promote community projects and provide recreation for its membership. At the present time the Boosters are repairing the Stonington Community Building.

Dances sponsored by the Booster Club will be given during the months of June, July, and August to raise project funds.

Garden Peninsula

Kates Bay Club

Kates Bay Home Economics Club members were guests of Rufus Spalding. Trooper Barr presented the last of five First Aid lessons. Those who completed the course and received First Aid certificates were: Mr. and Mrs. Henry Farley, Mr. and Mrs. Bernard Grenier, Mr. and Mrs. Ray Stoke, Mr. and Mrs. John Lester, Mr. and Mrs. Gerald Willett, Mr. and Mrs. Alpha Thibault, Mrs. Paul Guertin, Mrs. Milton Hazen, Mrs. Ed Paulson, Jr., Mrs. Steve Pscheidt, Mrs. Charles Rasmussen, Mrs. Grover Spaulding, Mrs. Sid Lucas, Mrs. Earl Cota, Mrs. Walter DeGroot, Miss Virginia Willett, and Rufus Spalding.

The next meeting will be held Wednesday, May 20, at the Paul Guertin home with a rummage sale a feature of the meeting.

Mr. and Mrs. Ralph Eiseman and baby of Marquette spent the weekend at the home of their parents, Mr. and Mrs. Andrew LaBresh.

Mr. and Mrs. Charles Gauthier visited with Mrs. Rose Murray at Spalding Sunday.

Mr. & Delia Gauthier of Clarkston spent the weekend at the home of Mr. and Mrs. Norbert Gauthier.

Grady Steele and daughters of Clarkston were guests of Mr. and Mrs. Louis Farley over the weekend.

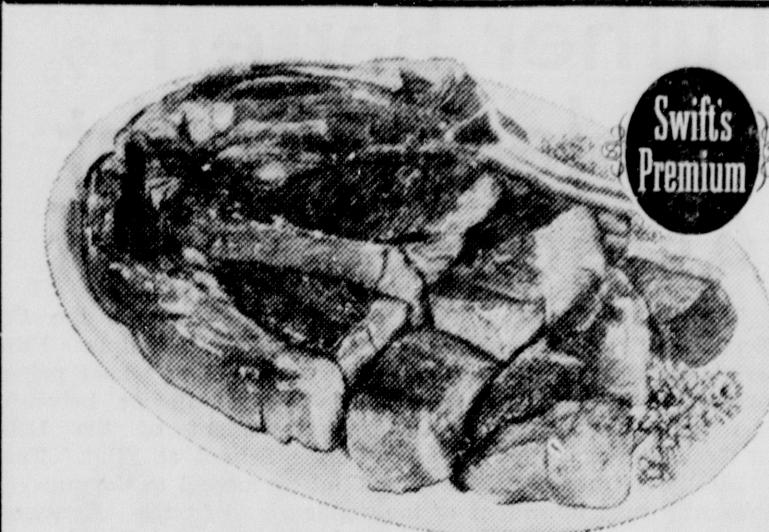

Mr. and Mrs. Freeman Herbert of Warren, Mich., spent the weekend with Mr. and Mrs. Charles Rasmussen and family. In Lower Michigan they visited at Oscoda with their son, Duane Seaman and family who are going to Anchorage, Alaska this month to make their move.

Spring Concert Set For Sunday

The Spring Concert of the Holy Name High School will be presented in the Bonifas Memorial Auditorium at 7:15 p.m. on Sunday, May 17, by the band and choral groups and several soloists.

Robert Anderson and Manley Anderson are directors of the Band and the Choral section is directed by Sister M. Irma, O.P., ad the accompanist is Rev. T. Coleman.

The concert by the Band will be presented starting at 7:15 with the Junior Band, followed by the Holy Name Band. The Choral Concert will begin at 8:15 and performers will be from the Freshmen, Advanced and Mixed Choral Group.

Soloists with the band will be Steve Wood, cornet; Robert Ryan will be soloist with the chorus; and Paulette Vanlervenbergh will present organ selections. George and Anthony Romani will play guitar and bongo drums in accompaniment for the Boy's Choral.

Dancers for a couple of the program numbers will be Judith Barron, Jill Derouin, Elaine Schultz, Judith Bourke, Marilyn Lark, Jalene Peterson and Joan Regner.

Senior Prom Is Set For Saturday At Escanaba High

"Sayonara" is the theme for the Escanaba Area High School Senior Ball to be held Saturday, May 16. The students have acquired the services of the X-L's from Northern Michigan University to provide the musical setting.

Dancing will be from 9-12, followed by buffet-style dining.

The Senior class sponsors the ball, and provides decorations, music and publicity.

The Senior Class officers are: Walter Carlson, president; Wally Schultz, vice president; Dale Bjorkquist, secretary; Kelly Ray, treasurer.

The Commons Area of the new high school, site for the ball, will be decorated in a Japanese setting. A walk-over bridge with lanterns and butterflies will suggest the Japanese theme. The tables will also have Japanese lanterns as part of the decor.

The decoration committee is headed by Kay Christensen. Others on the committee include Mary Schleicher, Kathy Jensen, Sue Johnson, Linda Lewis, Linda Sundelius, Marilyn Olson, Mary Coon, Carol Kaiser and Alice Dubord.

Members of the Art Club will provide posters and other signs for the ball. About 90 couples are expected to attend.

Social Club Holds Meeting

St. Anne's Social Club met

Wednesday evening in the parish hall with 125 members in attendance. A dessert card party with table prizes followed the meeting.

Co-chairmen were Mrs. John Kintzinger and Mrs. John Oberg, and their committee was Mesdames Walter Cassidy, Wallace Pultz, Emil Frappier, Frank Brady, Peter Findley, William Berro, Rosanne Snapp, Henry Moreau, David Livermore, Lawrence Socha, Tom Charland, William Charland, Ed DeMars, Francis Gray, Margaret Beck Gray, George Houle, Alfred LaBranche, Joseph Cota, Emery LaFave, Ernest LaFave, Yvonne Larson, Wayne Veraghen, Joseph LaFave, Ed LeClaire, Ernest Maisonneuve and Wilfred Trudeau.

Pre-school physical examinations are also available at the Health Department for those persons unable to obtain them from the family physician. The latest that appointments for examinations at the Health Department will be taken will be June 15, 1964.

Telephone the Health Department in Escanaba, 786-4111 or the Health Department in Menominee, 863-3286.

Announcement of the dinner was made by Stuart Hertzberg, Detroit attorney and chairman of the Salute to Johnson dinner committee.

Funds raised will be divided between state and national Democratic committees.

"We are indeed highly honored to have the president include Michigan in a dinner of this kind," Hertzberg said. "It is impossible to determine at this time how many people will turn out. The general public is cordially invited and, judging by response at similar dinners in other cities, we will give President Johnson a rousing welcome."

Three former governors and two incumbent U.S. senators will serve as honorary chairmen of the dinner. They are former Govs. John B. Swainson, G. Mennen Williams and Murray D. Van Wagoner and Sens. Patrick McNamara and Philip Hart.

Church Events

FOLK SONGS will be sung by a mixed choral group as a feature of the Holy Name School spring concert to be presented Sunday evening. Composing the group are (first row from left) Anita Fraddo, Lynn Ramile, Frances Kobasic, George Roman, Tom Roman, Jean Vileneuve; (second row) Jim Wils, John Butler, Pat Corbett, Mary Degnan, Mary Ellen Kobasic, Kathy Ojanen, John Quinn; (third row) Paul Metz, Tom Kwarciany, Joe Rodman, Marilyn Kobasic, Nancy Guenette. (Daily Press Photo)

Ecumenism Is Service Theme

On Pentecost Sunday, May 17, at 3 p.m., Christians of all churches in Delta County will gather at Bethany Lutheran Church to celebrate the fact that all those who belong to Jesus Christ belong to one another as well.

Participants in the service will represent several churches of the area. A choir combining the choirs of the Evangelical Covenant Church, First Lutheran Church, and Memorial Methodist Church, all of Gladstone, will be directed by Mr. Paul Cowen, director of music in Gladstone High School. The Youth Choir and the Choral

The Rt. Rev. Herman R. Page of Menominee, Bishop of Northern Michigan (retired) for the Protestant Episcopal Church, will speak on the theme, "Forward in Christ."

Pentecost has been commonly called 'The birthday of the Church' because it was on the day of Pentecost, 50 days after the resurrection of Jesus, that the Holy Spirit came to live in the hearts of His disciples", the Rev. Wilson said. "The Ministerial Association, through observing Pentecost this year rather than Reformation Sunday, is seeking to express the unity of the church, not its disunity. The Association has accordingly extended its invitation to this service to all people of the area regardless of their church affiliation."

The State immunization law has been in effect several years now and exempts only those with religious objections. Immunizations, as required, are

CLINIC FRIDAY

The regular immunization clinic will be held by the Health Department at the Delta County Building from 2 to 4 p.m. Friday.

available at all physician's offices and at the Health Department, said Dr. Mary L. Cretens, director of the Delta-Menominee District Health Department.

It is adviseable, also, that children about to begin school this fall have a physical examination from the family physician. Through these examinations, often-times physical defects are discovered which can be remedied. Many of these defects, especially those of vision and hearing, have an important bearing on the child's progress in school, Dr. Cretens said.

Pre-school physical examinations are also available at the Health Department for those persons unable to obtain them from the family physician. The latest that appointments for examinations at the Health Department will be taken will be June 15, 1964.

Telephone the Health Department in Escanaba, 786-4111 or the Health Department in Menominee, 863-3286.

August Janke Is President Of Home And School

August Janke was elected president of St. Joseph's Home and School Association at its meeting Wednesday night at the school.

John Olinger will serve as vice president. Mrs. Elmer Bonifas, secretary, and Mrs. George Milkovich, treasurer.

Father Jordan Telles, O.F.M., pastor, gave an interesting and enlightening talk on the Ecumenical Council.

Members discussed the 8th grade graduation which will take place after Mass on June 7, with a breakfast following in the school cafeteria for graduates and their parents.

May 29: Commencement in elementary school gym at 8 p.m. Speaker will be R. J. Orr, district traffic superintendent, Michigan Bell Telephone Company.

May 29: Last day of school for kindergartners.

May 29: Last day of school for elementary school gym at 8 p.m. Speaker will be R. J. Orr, district traffic superintendent, Michigan Bell Telephone Company.

May 29: Last day of school for kindergartners.

News Palladium Freed Of Libel

ST. JOSEPH (AP) — A \$1.5 million libel suit filed against the Palladium Publishing Co. and its president by a former Michigan state legislator was thrown out of court Wednesday by Berrien County Circuit Court Judge Fred N. Searl.

In ordering the court clerk to enter a directed verdict of no cause for action, Judge Searl, of Grand Rapids, said that the plaintiff, Don R. Pears of Buchanan, had failed to show that the Benton Harbor News Palladium, newspaper owned by the publishing firm, had printed anything false about him.

Pears, a former speaker of the House, filed suit against the company and its president, Stanley R. Banyon, on Aug. 6, 1962. The suit was an outgrowth of the coverage of Michigan's 1962 primary election campaign.

Pears, who had been one of four candidates seeking the Republican nomination for Congress from the 4th District, charged that the News Palladium maliciously defamed him by representing in an article on Aug. 3, 1962, that he had joined in an attack on another GOP candidate, Chester Byrns, a St. Joseph attorney.

Defense attorney Charles W. Gore of Benton Harbor, moved for a directed verdict Wednesday after the plaintiff had finished presenting his proofs.

In ordering the directed verdict, the judge said the plaintiff failed to show any malice and added that the newspaper had done nothing more than exercise its constitutional rights to print the news.

Judge Searl said evidence introduced by the plaintiff himself showed that he had attacked the other candidate as the News Palladium said in its coverage of the campaign.

In remarks to the jury, Judge Searl said the case reminded him of a saying attributed to former President Harry S. Truman: "If you can't stand the heat, don't go near the kitchen."

Ensigners 4-H Club Plants Trees Near Hall

ENSIGN—Ensigner 4-H Club held a work bee at Alton Hall Saturday morning. Stanley Dominic, adult advisor, instructed the 4-H members in planting 55 young trees, cleaning up the grounds and cutting the grass. The trees were donated by Michigan Conservation Department and Federal Forest Service. Tree planting will be a part of the club's landscaping project on the Alton Hall's grounds. The club will plant grass and flowers and make a parking lot in future work bees at the Alton site.

4-H members assisting in the Saturday work bee were: Jean Pajnich, Suzan Sundberg, Carolyn Nelson, Tina and Don Dominic, Cindy, Tom, Klint, and Dan Safford.

Trinity Aid Is Active In Stonington

STONINGTON—Stonington's Trinity Lutheran Church has as its Ladies Aid officers: president, Mrs. Orville Pederseen, vice president, Mrs. Arnold Johnson, secretary, Mrs. Roy Erickson, and treasurer, Mrs. Ruth Brandt.

The membership consists of 25 and the aid meets every third Tuesday of the month. At the present time the Aid is raising funds for a new church furnace and will sponsor a ham dinner Sunday, May 31. The dinner serving time will be from 4-7 p. m. with Mrs. Pederseen, general chairman.

Hostesses for the Aid's May 19 meeting will be Mrs. George Jacobson and Mrs. Wilbert Leadman.

Powers-Spalding

Tea Is Success

Pinecrest Medicare Auxiliary sponsored a most successful silver tea and bazaar Saturday afternoon at the Facility. The Candy Striper sponsored a candy booth. Mrs. Dorothy Duca, diversional therapy department director, supervised a booth in which were many articles, all made by the patients. Centennial Queen, Mrs. Milton Poquette, was present throughout the afternoon and brightened the day by visiting with each patient. She wore her Centennial gown and Queen's crown.

Mother's Day Dinner
Powers-Spalding Lions and their wives enjoyed a Mother's Day dinner at Fleetwood's Inn Monday evening. Each lady was presented with a corsage. Anthony Giovanni of Iron Mountain was guest entertainer with audience participation. The local Barbershop Quartet, Peggy Hansen, Dorothy Strand, Grace Drazo and Dorothy Fleetwood, sang a group of songs.

Toad Creek Farm Bureau Holds Meeting

BARK RIVER — "Accent on Youth" was the discussion topic at the Monday evening meeting of the Toad Creek Farm Bureau held at the Leonard Veever home. In the absence of the discussion leader, Alex Jurasz, Mr. Veever introduced the topic. Conclusions reached were to promote high school study groups to create interest

in agricultural and related professions and a recommendation that at least two members of the Farm Bureau County Boards be selected from the younger group.

Mrs. Chester Good of the Womens Committee reported that the annual district meeting will be held Tuesday, June 23. Hosts will be the Baraga County women.

Final selection of two young people for the Young Peoples Citizenship Seminar at Camp Kett will be made at a meeting in Stephenson High School

Thursday, May 15. Judges will be Louis Seidl, Menominee County superintendent of schools; Edmer LaCrosse, principal of Stephenson High School and Lester Walcutt, Menominee Co. 4-H agent.

The county Womens Committee has been appointed to select a Farm Bureau Queen for Menominee County. Package Reporter, Clem Ouradnik reported on insurances and on the many new uses for corn cobs including the making of face powder, insecticides and fertilizer. The next meeting

Buy and sell the classified way.

Seney

Extension Club

The Home Extension Club met at the home of Mrs. John Hakola, Seney Refuge. Mrs. Hakola showed colored slides of her trip through Europe.

Mrs. Martin Kwarciany visited in Milwaukee for Mother's Day weekend with her son and family, the David Kwarciany.

Officers Installed

Officers of Seney - Germfask

Lions Club, installed Saturday evening after a dinner at Rustic Bar, were: president, Ted Skarret; 1st vice president, Herbert Musselman; 2nd vice president, Les Walstrom; 3rd vice presi-

dent, Omar Doran; secretary-treasurer, John Lustila Sr.; tail-twister, Glen Sherwood; lion tamer, Thurman Skarrel Sr.; directors, Russell Bowersox, Howard Hartman, Earl W. Sadler, Clinton Leonard of Manistique was installing officer. Lions ladies were guests at the dinner meeting.

PTA Officers

PTA officers elected for the coming year are: president, Howard Carpenter; vice president, Phyllis Carpenter; secretary, Jean McMahon; treasurer,

Pauline Ketola; hospitality chairwoman, Elaine Anderson; publicity, Pearl Smith; membership, Myrtle St. Martin.

**B. & P. W. Club
Names Officers
For New Year**

Escanaba Business and Professional Women's Club held a regular dinner meeting at the Sherman Hotel Tuesday evening and elected officers for the ensuing year.

They are: president, Jean Kasun; vice president, Esther Westerlund; second vice president, Mary Newton; recording secretary, Florence Dufresne; corresponding secretary, Ruth Anderson; treasurer, Judge Marie D. Peters.

The officers were installed by Lucille Ulrich, World Affairs chairman of the Michigan Federation, at an impressive candlelight ceremony.

Mrs. Ulrich outlined her work as World Affairs chairman in the Michigan Federation for the past year during which she traveled over 8,000 miles and spent the equivalent of 31 days. She attended the Federation's four board meetings in the Lower Peninsula and the two district meetings in the Upper Peninsula, the International dinner at the Sault and the many other functions.

In her spare time, Mrs. Ulrich compiled a very interesting book, picking out the highlights of all the Districts in Michigan, schools, industries, vacation spots, etc., illustrated with beautiful colored pictures. She is going to mail the book to an International Club in Worcester, England, advertising Michigan.

Alice Kvam, as chairman, Lottie Frechette and Elsie Anderson were appointed to serve on the nominating committee for next year.

Mrs. Tiny Stacey of New York City, a representative of S. Griffiths, owners of the Community Concerts, Inc., outlined an interesting program

Women's Activities

**Confirmation,
First Communion
At Bethany**

Sixteen youths will make their vows before the altar and receive their First Holy Communion at Bethany Lutheran Church service Sunday, May 17.

To be confirmed are: Karen Mary Anderson, Mack Donald Anderson, Wayne George Anderson, Shirley Louise Cook, Judith Ann Henslee, Carl Bernard Johnson, Richard Bernard Johnson, Katherine Ann Larson, Thomas Robert Loodeen, Thomas Lee Morin, Robert Erland Myrvall, Richard Elwood Niemi, Donald Jon Nyquist, Patricia Ann Pease, Robert Ernest Schmeling and Robert Earl Swanson.

The Confirmation public examination will be held Friday evening, May 15 at 7:30 in the church sanctuary.

Following the examination a reception will be held for confirmants, parents and members of the Church Council in the Youth Fellowship Room.

for the coming year. She is here to assist in the membership drive for the concert series.

The meeting was in charge of the nominating committee, Lucille Ulrich, chairman, Caroline Nystrom and Myrtle Berthold.

Susan G. Smith and Marion S. Griffiths, owners of the Sunset Motel, were welcomed into the club as new members.

THE APPROACHING marriage of their daughter, Beverly Ann, to Michael Goggins, is announced by Mr. and Mrs. William Peltier of Bark River. The future bridegroom is a son of Mr. and Mrs. Eugene Goggins of Milwaukee. The wedding will take place May 23 in Milwaukee. (Portrait by Lee)

**Busy Session At
Washington PTA
Final Meeting**

The final meeting of the Washington School PTA was held in the Junior High cafeteria Tuesday evening, with Mrs. Fred Van Effen, newly elected president, presiding over the business meeting.

Joseph Le Duc, principal, with his sixth grade students presented an enjoyable Physical Fitness program in the Junior High gym.

A safety program for the Washington School has been developed with mothers supervising the 2nd Ave. and Stephenson Ave. school crossing. Four mothers will be needed each day to carry this program through effectively, for approximately one-half hour, one mother in the morning, one before lunch, one after lunch and one after school. Volunteers are needed to keep this very important program in effect for the remainder of the school year. Safety belts and rain capes will be furnished. Those able to assist are asked to call Mrs. Leo Niquette, ST 6-1412 for schedule. Mothers taking part in safety program are Mrs. Lyle Smith, Mrs. Wallace Pultz, Mrs. John Anderson and Mrs. Grant Nygaard.

The PTA has again chosen to purchase books to supplant school library. Plans have been completed for the school potluck picnic, Sunday, June 7, at Pioneer Trail Park. Chairman, Mrs. Russell Wendrick, will choose a committee for games and entertainment.

Mrs. Niquette gave a report of the 47th State PTA convention in Lansing April 20-23. She told of the highlights of the workshops and general sessions. Much informative literature may be obtained at a convention for future use in local and council units, she observed. Mrs. Chet Marrier was pre-

**Frances Tolbert
Is The Bride Of
Lt. Ralph Bove**

Announcement has been received here of the wedding of Frances L. Tolbert and Ralph J. Bove, which took place in Folkston, Ga. The bridegroom is a son of Mrs. Esther Bove of 12215 NE 12th St., Miami, Fla., the former Esther Foote of Escanaba.

The new Mrs. Bove is a graduate of Lumpkin County High School in Dahlonega, Ga. She attended business school and worked at North Georgia Military College.

Mr. Bove attended North Miami Senior High. He graduated from high school in the U. S. Marines and last summer was graduated from Officers' School. He now is serving as a second lieutenant in the U. S. Army.

The PTA has again chosen to purchase books to supplant school library. Plans have been completed for the school potluck picnic, Sunday, June 7, at Pioneer Trail Park. Chairman, Mrs. Russell Wendrick, will choose a committee for games and entertainment.

Mrs. Niquette gave a report of the 47th State PTA convention in Lansing April 20-23. She told of the highlights of the workshops and general sessions.

Mrs. Chet Marrier was pre-

**Family Format
Changes Told In
U.P. Conference**

Five major factors have caused changes in the structure of the family and the values related to family living, the Rev. Eugene W. LeVine, chaplain of the Marquette Branch Prison, told the 60 persons attending the recent U. P. Family Relations Council meeting in Iron Mountain.

He listed the five factors as follows:

1. Divorce is more common and families are more free to dissolve.
2. There has been a decline in the size of the family and much wider use of birth control practices.
3. There has been a change in the husband's authority and in the status of women and children.
4. There has been an increase in the incidence of sexual relations apart from marriage.
5. There are more women working outside of the home for pay.

Because of changes and the nature of work and in their status, the man's role often becomes problematical and, for some, there are problems of identity, the chaplain said.

Urban Steinmetz, Catholic Social Services, Escanaba, stressed need for education for family life both before and during marriage. Many people enter marriage with very inadequate sexual information and education, he said. He also stressed the need for more complete and free communications within the family. Pan-

Knits are wonderful travel companions when you head for sunny climes. Sayelle bulky knit sweater (left) by Joan Marie is a nautical pullover in white with bold dashes of color. Its long sleeves are protection from sea breezes while sailing. Sweater dress (right) is striped in white, red and navy. Exactly right for sightseeing in the tropical resorts, this Old Colony design is made of a new Nantuck knit of Orlon in a smooth, fine texture. It packs beautifully and washes easily by hand or machine.

Dying Of Venom, Baby, 2, Is Saved

LOS ANGELES (AP)—At the bright and bubbly age of 2, Merry Maribel stands in her crib and throws kisses at the whole, wide, wonderful world.

Indiscriminately, with either hand.

That she can do so is a medical marvel.

It's a marvel, first of all, that she feels like throwing kisses. Maribel has been through hell—a comatose living death with half her upper torso slowly rotting from a mysterious venom.

It's a marvel that she can move one of her tiny arms as high as her lips.

Lizard Bite Blamed

And it's a marvel, of course, that Maribel is alive.

Because she is alive, Maribel is famous—a flesh-and-blood symbol of an assault by modern medicine against a rare and massive infection.

Two hundred physicians—half the staff of Childrens Hospital—mobilized their talents after Maribel Olea was flown here Oct. 15 from Yuma, Ariz.

Maribel was dying. Her heart was "in failure," as doctors say, scarcely beating. Her left chest,

New Car Sales Top Last Year

DETROIT (AP)—Automakers reporting new car sales for the first 10 days of May Wednesday said they exceeded those of the same period last year on the daily average.

Total sales were down generally since there were eight selling days this month as compared to nine for the same period in May of last year.

Chevrolet said its car and truck sales for the year passed the one million mark May 8, or six days ahead of the record date set in 1963.

Chevrolet said its May 10 sales totaled 72,039 cars and trucks compared to 78,844 for the corresponding period last year.

Buick reported 14,104 sales for a daily average of 1,763 as against 15,143 and a 1,683 average last year.

Oldsmobile said its 14,515 were the best for the period since 1955.

Chrysler said its sales were 23,782 for a daily average of 2,973 compared to 26,535 and an average 2,948 last year. Plymouth said it sold 13,683 cars for a daily average of 2,878, highest since 1975. Dodge reported 10,099 sales for a daily average of 1,262 as against 9,948 and a 1,105 average last year.

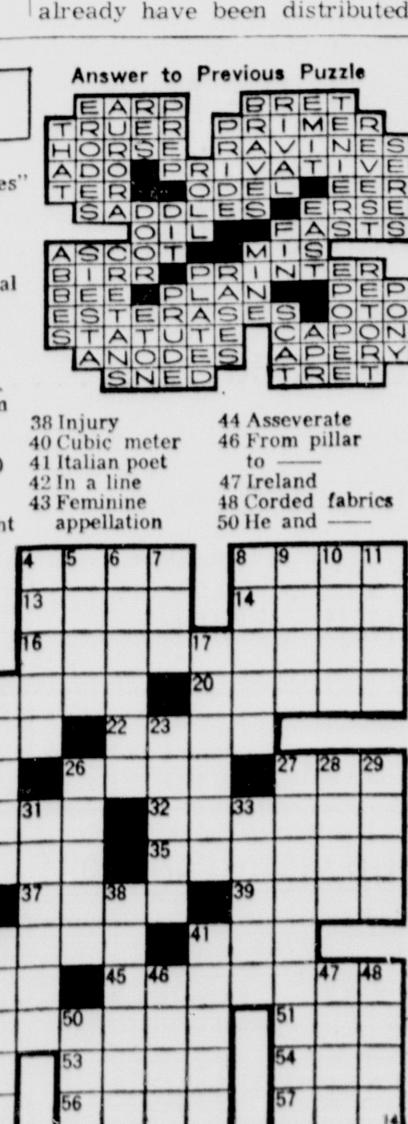

Rector Ends His Hunger Strike After 18 Days

PHILADELPHIA (AP)—The Rev. Clayton K. Hewett, a white Episcopalian rector, has ended an 18-day hunger strike.

The Right Rev. Rober L. De Witt, bishop of the Pennsylvania Episcopal diocese, announced the end of the fast shortly after the Rev. Mr. Hewett, rector of the Episcopal Church of the Atonement in suburban Morton, was discharged from a hospital.

The bishop told newsmen the 37-year-old rector had agreed to end the fast because Gov. William W. Scranton's intervention has been responsible for the apparent beginning of real progress in the racial situation at Chester. The bishop wants the Rev. Mr. Hewett to have training to prepare him for additional ministry in civil rights work.

The Rev. Mr. Hewett had been taking only water, juices and vitamin capsules since his arrest in the April 24 demonstrations in Chester.

Seney

Bible School

The Lutheran summer Bible school will open at Germfask church May 25.

Graduation

Eighth grade graduation exercises will be held Friday evening, May 22. Members of the class are Douglas McDowell, Harold Wetterlin, Ronald Anderson, Gary Luukkonen, Susan Miller and Harold Miller.

Birthday Dinner

Mr. and Mrs. Russell Bowersox, Mr. and Mrs. Roy McDowell, Mr. and Mrs. Fred Woolford and Mr. and Mrs. Frank Morden enjoyed a birthday dinner at Locke's restaurant in honor of Mrs. Bowersox' birthday. After dinner they returned to the Bowersox home for cards.

Anniversary

Mr. and Mrs. Ralph Deacon celebrated their 21st wedding anniversary at their home Saturday evening. Guests were

Mr. and Mrs. Roland Schreider, Mr. and Mrs. Isadore Miller, Mr. and Mrs. Leo Kalszenki and Mrs. Crocker. A chicken dinner was followed by cards.

Mr. and Mrs. Pete Graham and family of Powers visited her parents, Mr. and Mrs. Victor Miller.

Mr. and Mrs. J. J. Riordan of Trout Lake were Seney callers Sunday.

Ronald Anderson will be confirmed at Grace Lutheran Church, Germfask, Sunday, May 17.

Milo Gonser Jr. and Clyde Tobin Jr., students at Northern Michigan University, spent the weekend at home.

Mr. and Mrs. David Martette, Munising, and Mrs. P. Brown, Shingleton, visited Sunday with Mr. and Mrs. Walter Niemi.

Miss Gloria Little and Miss Mary Hartman of Saginaw were guests of Miss Rose St. Martin over the weekend.

Guests of the Lowell Maxsons Sunday were Mr. and Mrs.

William Jessick and family, Manistique, Sam Green, Sault Ste. Marie, and Mr. and Mrs. Warren Adams and family of Kinchloe Air Base.

Mr. and Mrs. Owen McDowell went to Marquette where she took her F. C. C. examination for her general ham operator's license.

Seney Circle of St. Theresa's Church met at the home of Mrs. Pete Suick, Seney Refuge.

Curtis

Baby Betty Ann Watson has returned from Schoolcraft Memorial Hospital, Manistique, where she was a patient.

Mr. and Mrs. Carl Johnson and daughter Jeanine have returned home from Clearwater, Fla., where they spent the winter months.

Walter Sprang was taken by ambulance to the VA Hospital at Iron Mountain.

Construction under supervision of James Mattson of Seney has begun on the public camp site on South Manistique Lake.

Glenn Wansiller of Midland is spending some time at his cottage.

Asa Anderson and family, Joe Anderson, Mrs. Mirrle Brown and son Richard of Lansing, Mr. and Mrs. Clinton Long of Clifford and Mr. and Mrs. David C. Coffey of Bath arrived to visit their mother, Mrs. Rhoda Long. The condition of Mrs. Long is improved.

A cake walk will be sponsored by the eighth grade class at 7:30 p.m. Tuesday May 19 at the school.

Evelyn Audritsch has returned to her home from Schoolcraft Memorial Hospital.

Mrs. Rhoda Long is a patient at Tahquamenon General Hospital at Newberry.

Mr. and Mrs. Earl Kreipes have returned from LaSalle, Mich., and opened their Polar Bear Lodge on Big Manistique.

Isabella

Birthday Party

Mrs. Jacob Landis Jr. was honored Monday evening at a birthday party at her home. Attending were Mr. and Mrs. Albert Watchorn, Mr. and Mrs. Dale Watchorn and Brenda, David, Gary, Randy and Crystal and Mr. and Mrs. Jacob Landis Sr. The honor guest was presented with a gift.

The United States Merchant Marine Academy is located at King's Point, N.Y., on the north shore of Long Island.

MANISTIQUE

HOWARD SCHWARTZ, teacher, with Guy Thorell, right, and Allen LaVigne, left, plant a pine tree in an Arbor Day project of Manistique High School. Pines and spruces from the Wyman Nursery were planted at the stadium of Manistique High School and at the Lincoln School by Steve Eckstrom, Linda Brock, Kathy Jessick, Gail Schwartz, Howard Schwartz, Thorell, Robert Moffat and Kathy Brouillette as the schools observed Arbor Day. (Daily Press Photo)

Guard Unit Is Inspected

Members of the Manistique City Council gathered at the National Guard Armory Monday night prior to the regular Council meeting to observe the formal inspection of Company D by Lt. Col. Royce L. Lain, of Fifth Army Headquarters, Chicago, and Capt. Thomas P. Kaine, regular Army advisor. A regular drill also was held.

Battalion officials here for the inspection were Maj. Edward J. Doyle, CWO Donald L. DeRoche, Capt. Frank E. LaBelle, Capt. George J. Hansen and Lt. Col. Austin W. Lindberg.

Capt. John Paul Quick, commanding officer, and Company D have expressed appreciation to Manistique and surrounding area for the fine response received to its call for additional strength. The program resulted in enlistment of 34 more men, bringing the company to total strength of 70 plus 10 per cent overage, or 77.

Danes To See U.S. Nuclear Ship

COPENHAGEN (AP) — After six years, the Danish government has agreed to allow an atom-powered American ship to visit Copenhagen.

The merchant ship Savannah will arrive Aug. 25 for a seven-day visit.

Six years ago the government denied the atomic submarine Skate permission to pay a courtesy visit to the capital.

Area Will Host Employers In Michigan Week

Schoolcraft County will hold a banquet Tuesday in the Elks Club to fete industrial representatives in a Michigan Week program. Edwin E. Wuehle, school superintendent will be guest speaker for the event, which will have Chicago representatives of Inland Steel Co. and Marshall Field Enterprises attending, along with local industrialists and employees.

A 6 p.m. "happy hour" precedes the dinner at 7 p.m. Fred H. Hahne is chairman for the banquet. John W. Kelly, Michigan Week chairman will give the welcome and the response for industry will be made by Russ Stewart, chairman of the board for the Field-owned Manistique Pulp and Paper Co., for which plans for a \$2.5 million expansion have been announced.

The banquet is sponsored by the city, county and Chamber of Commerce. Presentations during the banquet will be made by Marvin Frederickson, high school principal.

Michigan Week begins Sunday with church observances calling attention to the assets of the state and the role of citizens in effectively using and appreciating them. Schools are sponsoring essay writings and other projects and Mrs. J. J. Herbert is arranging Heritage Day displays.

Monday, Rotary will host

Schoolcraft State Parks Get Ready For Summer Rush

Indian Lake State Park efforts have been concentrated on preparing one section for early camping and in this one, all facilities are provided. Other sections will be opened as time permits. Victor Haas, manager reports.

The picnic area is now open and pads have been replaced at the boat launching site. An added attraction is a 3 by 4-foot map of the lake, showing depth and bottom contour as well as listing other facts about the lake.

Two swimming areas will be designated. One is in front of the bathhouse and one in the camping area. These will be marked, in compliance with Michigan Boating law, using the national system of uniform waterways markers. Each area will be 300 feet square.

Six new campsites have been added, giving a total of 160.

At Palms Book State Park, all facilities are now in operation. The picnic area has been enlarged and extends the entire length of the north side of the parking lot.

Mrs. Don Dissinger will operate the concession at Indian Lake State Park and Mrs. Joseph Markham at Palms Book.

Last year 4474 camping permits were issued and 3338 camps were turned away due to lack of space. Forty-five states and seven Canadian provinces were represented and there was one camp from Europe. Of the camp permits, 1968 were for tents, 2237 for trailers, 267 for car camps and two for using boats as shelters. There were 4.3 persons per

camp and 481 camps brought their own boats. The camps also brought 632 dogs. Average length of stay was 2.6 days.

Indian Lake State Park ranked 20th in attendance, state-wide, and was fourth in the U. P. The Straits State Park was first, Brimley second and Tahquamenon, third.

For the first time in the history of Michigan State Parks, more trailer camps were registered in 1963 than tent camps.

Attendance at Indian Lake State Park was 109,449, placing it 38th place statewide and fifth in the U. P. There are 65 state parks and recreation areas in Michigan and 14 are in the Upper Peninsula. Attendance at Palms Book State Park was 55,111, placing it in 52nd place in the state and 11th in Upper Michigan.

State Park motor vehicle permits are required for entry to the park at any time of the year. These have to be attached to the lower right hand corner of the windshield with the original adhesive, to be valid. Permits not attached or attached with a Scotch tape will not be honored. There are no special provisions in the law to allow school buses or similar vehicles in the park without a permit.

The permit this year is round, with silhouettes of a skyscraper, depicting Michigan as a great industrial state, a tree, representing the many acres of recreation land, and a man, woman and child, calling to mind that camping and picnicking is a family activity.

JERRY KRAMER, famed Green Bay Packer lineman, will be the featured speaker at the Holy Name High School All Sports banquet Saturday night in the school's multipurpose room. The banquet, sponsored by the Holy Name Booster Club, will begin at 7. Honored will be all varsity members of the Crusader basketball, football, track, golf and tennis teams. The banquet is open to the public and an advance sale of tickets is being conducted.

Ball Takes Good Bounce For Ace Houston Hurler

By The Associated Press

Ken Johnson has given everyone the no-hit Willies again, including Mays.

Johnson, the hard-luck Houston right-hander who hadn't won in a month despite pitching a no-hitter, found the ball bouncing his way for a change Wednesday night and wound up the winner as the Colts made the most of two bad-hop hits in a 2-1 victory over National League leading San Francisco.

For six innings, Johnson was even better than he was April 23 when he set the Cincinnati Reds down without a hit but lost 1-0 on two errors in the ninth inning. This time, Johnson was leading 1-0 and working on a perfect game.

So perfect, in fact, that Willie Mays hadn't hit the ball fair in two trips to the plate, fouling out and striking out. Then, in the seventh, Jesus Alou smacked Johnson's first pitch for a double and Matty Alou followed with a single—bringing up Mays.

Mays, however, couldn't get out of the infield this time

either, hitting a grounder as Jesus Alou was trapped in a rundown between second and third. Johnson then got out of the jam and got a couple of breaks in the bottom of the inning.

With two out, a shot by Bob Aspromonte ricocheted past first baseman Orlando Cepeda for a double and Rusty Staub sent him to third by lining a drive that skipped past shortstop Jose Pagan. Ron Herbel

came on in relief of Bob Hendley at this point and proceeded to wild-pitch the decisive run across.

Johnson left in the eighth, but eventually wound up with his first victory since April 18.

And Mays, faced with his first hitless performance since the third game of the season, eventually wound up with his only hit in four trips, singling off Hal Woodeshick in the ninth. That extended his hitting streak to 20 games, although his batting average dropped 10 points to .468.

Only one other National League game was played, the New York Mets defeating Milwaukee 5-2. Three games were rained out—Los Angeles at Chicago, St. Louis at Philadelphia and Cincinnati at Pittsburgh.

In American League action, the Chicago White Sox whipped Minnesota 5-1, Cleveland defeated Boston 3-0 in a game held

Badger Hitter Paces Big Ten

CHICAGO (AP) — Wisconsin football star Fred Reichardt appears a good pro baseball prospect, too.

The 6-foot-3, 205-pound Badger back seems headed for his second consecutive Big Ten batting title which should set a modern conference precedent. He is a junior.

Reichardt has a nine-game average of .515, leading official statistics posted Wednesday. The badger centerfielder won the title last season with .429 and for his last 15 big ten games is batting .593.

His closest pursuer is Arnie Chonko, Ohio State first baseman, with .452.

Third is Ron Tate, outfielder for co-leader Michigan, with .417, followed by outfielder Ron Hern of Purdue with .393, and first sacker Bill Davis of Minnesota, the other team co-leader with .355.

Minnesota's fine pitching staff has a composite earned run average of 1.65 for 65 innings. The four-man Gopher corps is headed by Joe Pollack, one of a trio of unbeaten Big Ten three-game winners.

Michigan's Bill Wahl, and Wisconsin's Lance Tobert also stand 3-0.

The practice schedule: At Royce Park - Tuesday: Brown's Sinclair; Wednesday: Crusaders; Thursday: Nurses. At Webster Field - Monday: State Bank; Tuesday: Jugs and Bay de Noc Community College.

The practice schedule: At Royce Park - Tuesday: Brown's Sinclair; Wednesday: Crusaders; Thursday: Nurses. At Webster Field - Monday: State Bank; Tuesday: Jugs.

Bay de Noc College will use the field near the College on Tuesday and Wednesday.

Hoak Is Among Veterans Cut By Ball Clubs

By The Associated Press

Two years ago Don Hoak dressed slowly in the Pittsburgh clubhouse, the only player still remaining. A messenger came in and told Hoak that his wife, singer Jill Corey, was waiting for him outside.

"I hate to have her wait in the rain," said Hoak, "but the guys who hustle in and out of the clubhouse usually wind up hustling themselves out of baseball."

Hoak, however, may have come to the end of the line anyway.

Age—and a rookie third baseman named Richie Allen—probably have ended his 11-year major league career despite the self-imposed conservation program in which he was going to store his hustle until game time and thus prolong his career.

Hoak was one of three players cut by Philadelphia Wednesday in order to get down to the mandatory 25-man player limit by the midnight deadline.

In all 23 players from 13 clubs were involved in the last-minute shuffling by the major league clubs. Seven teams already had reached the limit.

Among the other veterans cut were Baltimore pitcher Mike McCormick, outfielder Gene Cimoli of the Kansas City Athletics, Boston outfielder Gary Geiger and Cincinnati pitcher Al Worthington.

The Phillies trimmed two other players off their roster by selling relief specialist Ryne Duren to Cincinnati for more than the \$20,000 waiver price and sending pitcher John Boozer to Arkansas of the Pacific Coast League.

Hoak came up to the majors in 1954 with the then Brooklyn Dodgers and saw service with the Chicago Cubs and Cincinnati before landing at Pittsburgh in time to help the Pirates win the National League pennant in 1960. He hit .282 for the Pirates that

Sports In Brief

PITTSBURGH (AP) — The Pittsburgh Steelers announced Wednesday defensive backs Jim Bradshaw and Dick Haley have signed contracts for the 1964 National Football League season.

ALEXANDRIA, La. (AP) — Thomas Ray Mobley, 72, of Shreveport, former athletic director and football coach at Southwestern Louisiana Institute (now the University of Southwestern Louisiana) died Wednesday of a heart attack.

Hamms-Merchants will play a practice game against Skinny's and the Teamsters at Memorial Field this evening at 6:30.

Meade No. 3 and Flat Rock will practice at the Flat Rock school diamond this evening at 6:15.

BATTING—Pete Ward, White Sox, collected two hits, including a two-run double in the first inning, starting Chicago on the way to a 5-1 victory over Minnesota that kept White Sox in first place in the American League.

DAVE SULLIVAN, former Holy Name athlete, saw considerable action in the Northern Michigan University Inter-squad football game at Marquette this spring. Sullivan is a 6 foot 1 inch 195 pound end who played on both offense and defense for the Green Squad. He is shown with Mike Mileski, former Escanaba athlete, who is an assistant on the Northern coaching staff. (Sullivan Photo)

Rock Is First In Triangular

EBEN—Coach Roman Gill's Rock Little Giants captured seven firsts and took team honors in a triangular meet with Trenary and Eben here Wednesday.

Double winners for Rock were Ed Linjala in the high hurdles and high jump and Mike Ruotsala in the 100 and 220 yard dashes. Mike Kulack won the half mile. Bob Maki tied for first in the low hurdles and Phi Crossdell topped the broad jump.

Trenary placed second in the meet with 47 points and Eben was third with 32.

Summary:

880 relay—Trenary, Rock, 1:45

Mile—Storch (T), Woodaa (E), Lockhart (T), Benson (E), 5:15

High hurdles—Linjala (R), Maki (R), Haaavisto (E), Woon-daz (E), 17.7

880 run—Kulack (R), Begovas (T), Ryan (T), Brisson (E), 2:22

440 dash—Aho (T), Vertan-en (R), Carlson (E), Crossdell (R), 59.15

100 dash—Ruotsala (R), Hawley (T), Lusardi (T), Johnson (E), 11.5

Low hurdles—Maki (R) and Smith (E) tied for first, Linjala (R), Hawley (T), 24.6

220 dash—Ruotsala (R), Lusardi (T), Johnson (E), Leach (R), 25.3

Mile relay—Eben, Rock, 4:17.1

High jump—Linjala (R), Haaavisto (E), Smith (E), Peter-son (T), 5-0

Pole vault—Cady (T), Rukkila (T), Kulack (R), Sharkey (R), 8-9

Broad jump—Crossdell (R), Aho (T), Vertanen (R), Lusardi (T), 17.5

Shot put—Carlson (E), Linjala (R), Hill (T), Aho (T), 42.42

Points: Rock 58, Trenary 47, Eben 32.

Glover Named Most Valuable

CLEVELAND (AP) — Fred Glover, who led the Cleveland Crusaders to the Calder Cup championship as coach and leading scorer, was named today the American Hockey League's Most Valuable Player.

In winning his third MVP award in five years, Glover had competition from veteran goalie Gump Worsley of the Quebec Aces who polled 22 votes to Glover's 27 from the league's press, radio and television representatives.

The short distance runners and broad jumpers were hampered by a stiff wind and their performances generally were below par.

Holy Name produced three double winners in the meet.

Ben Yagodzinski took the broad jump and a section of the 440 yard dash, Bill Curtis the 100 and 220 yard dashes and Eugene Rissanen the high and low hurdles.

Other Crusaders who copped

Schools Meet; Take No Action On New League

Six schools considering formation of a new athletic conference were represented at a meeting here Wednesday night.

Attending were representatives of Stephenson, Kingsford, Iron Mountain, Escanaba, Marinette and Menominee.

"The schools took no definite action and made no commitments," a spokesman stated. "They discussed the pros and cons of conference formation and agreed to meet again in Marinette on Aug. 11 for further exploration."

"Because a Wisconsin school is involved, Holy Name was not invited to participate since WIAA rules do not sanction conference affiliation with private or parochial schools," the spokesman announced.

Holy Name Wins Track Meet At Emerald Field

MANISTIQUE — The Holy Name Crusaders dominated a triangular track and field meet here Wednesday, piling up 75 points against 35½ for Manistique and 33½ for the Rapid River Rockets.

Coach John Butrymowicz's Crusaders snapped up 10 first places, including both relays, and scored points in every event.

The short distance runners and broad jumpers were hampered by a stiff wind and their performances generally were below par.

Holy Name produced three double winners in the meet.

Ben Yagodzinski took the broad jump and a section of the 440 yard dash, Bill Curtis the 100 and 220 yard dashes and Eugene Rissanen the high and low hurdles.

The short distance runners and broad jumpers were hampered by a stiff wind and their performances generally were below par.

Points: Rock 75, Manistique 35½, Rapid River 33½.

Shot put — Fregatto (HN), Mroz, (RR), Larabale (RR), Harris (M), 42-10¾

Low hurdles — Rissanen (HN), Moss (RR), Weber (M), Meinz (HN), 22.5

220 dash — Curtis (HN), Menard (HN), Leach (M), Parrett (RR), 24.9

Mile relay — Holy Name, Rapid River, 3:58.6

Texas Golfer Serves Notice

OKLAHOMA CITY (AP) — A Texas golf professional served notice to Arnold Palmer and other top pros in the \$40,000 Oklahoma City Open, which got underway with a field of 158 Thursday, that he is to be reckoned with.

Chunkey Miller Barber, 33, of San Antonio, carded a seven-under-par 65 over Quail Creek Country Club's water-soaked 7,042-yard course Wednesday for individual honors in the pro-amateur event.

Tony Lema of San Leandro, Calif., finished second to Barber with a 66.

There are nine amateurs in the 72-hole competition.

A windy, dry and warm day was forecast. Players carried cards listing the Times Air

In Michigan, people have a taste for good living...and Jim Beam, Michigan's Favorite Bourbon, is part of the scene.

Two TV Shows Quit New York

By CYNTHIA LOWRY

NEW YORK (AP)—In all the dust kicked up by the three-cornered battle of words over the television Emmy, an important television move has been obscured.

The producer of two of television's five dramatic series which are shot in New York, has picked up his staff and cast and moved to California. The shows are CBS' "The Defenders" and "The Nurses." The emergency move was forced by a strike of a local independent union of scenic and costume designers, making it impossible to continue shooting fall episodes on schedule.

The strike also halted production of CBS' new series, "The Reporter." Two other New York based series were unaffected.

simply because they were not in production, CBS' "Mr. Broadway," and ABC's "Patty Duke Show."

Michael Dann, CBS programming vice president, said he believed that if the New York-made shows were forced to go to California to make their programs on schedule, "it will be the end of New York production of dramatic shows."

"I think that if they have once moved out there, and get their standing sets built, it will be too expensive for them to pick up and move back again," he said.

Chuck Connors, who had contracts with Universal and Revue studios, has terminated both "by mutual agreement," as they always say.

Connors was under Revue contract for "Arrest and Trial," which recently died miserably and undeservedly in a bad Sunday night ABC time spot, and was under a seven-year contract to make one theater film a year.

Connors is an attractive, pop-

ular performer and already has interesting offers from David Susskind and Goodson-Todman, the game show people who apparently have not been discouraged by two tentative steps into the dramatic field — "The Rebel," a half-hour Western that didn't last long, and "The Richard Boone Show," an expensive casualty of this season.

The City of Gladstone will host Mayor R. J. Alexander of Oak Park on Mayor Exchange day Monday. The program is in observance of Michigan Week and Gladstone's Mayor Raymond Norton and Mrs. Norton will leave Sunday afternoon to participate in Oak Park's exchange program.

Robert M. Clancy, administrative assistant to Mayor Alexander, will also come to Gladstone for the activities. The two men will arrive in Gladstone Sunday afternoon and members of the Gladstone City Commission will entertain them at dinner.

On Monday the Mayor and his assistant will tour the city with members of the Gladstone City Commission and will be guests of the Gladstone Rotary Club at the Yacht Club Monday noon. In the afternoon the group will tour several industrial sites, including the Escanaba Division of the Mead Corporation at Groos.

A community dinner is being planned for 6 p.m. at the High School Cafeteria and music will be provided by the Paul Cowen family. Delbert Nelson, Mayor pro-tem will be Master of Ceremonies.

Know to his friends as "Alex," Mayor Alexander is a widower and has five children. He has an engineering and construction background, having worked for the state on one of the first major street widening programs in the area, the widening of Woodward Ave. in Detroit. He is director of Oakland County Department of Public Works and for several years was associated with a large sewer construction company.

Outside of City Government

Rabitoy Opens New Business

Rene Rabitoy of Escanaba, proprietor of the Mobile gas station at Superior and N. 9th St. will open a parts store and garage in the building formerly operated by Gladstone Motors at 13 N. 19th St.

Rabitoy has operated the service station across the street from the garage for the past two years and plans to have the new business ready for operation within a week.

Obituary

EUGENE LECLAIRE

Funeral services for Eugene LeClaire will be held Friday at 9 a.m. at All Saints Church with the Rt. Rev. Msgr. Matt LaViolette officiating. Burial will be in Fernwood Cemetery. Friends may call at the Skradzki Funeral Home from 4 to 9:30 p.m. today and the parish prayer vigil will be held there at 8 p.m.

OUR BOARDING HOUSE with Major Hoople OUT OUR WAY

by J. R. Williams

School Board Okays Contracts

Contracts issued to 47 teachers were approved by the Manistique Board of Education Tuesday night in regular session. The contracts have all been returned except six and some time remains before they need be returned, Supt. Edwin Wuehle reported. Total of the salaries plus payments for extra duty is \$293,042.

During the meeting a letter was read from J. Earl Cousineau, chairman of the Manistique Teachers Assn. salary committee, regarding procedure for negotiations on salary schedule changes. The committee stated it felt joint meetings with the board's salary committee should be held. A meeting had been scheduled the evening of May 4. This was cancelled by the Teachers committee as the offer of the board for increases was accepted, it was reported.

A report was received from Mrs. Ludwig Hough, county school superintendent, advising the question of annexing with Delta County board of education, for a joint county superintendent's office would be on the ballot June 8.

Approval was given for the district to purchase science, audio-visual and other equipment, encumbering funds made available through the National Defense Education Act. The total is \$5172, in secondary science, mathematics and foreign languages, with the reimbursement to the district \$5.7 per cent of that amount.

Richard Berger was re-appointed school census taker. The board agreed to have three inspectors at each polling place for the school election. Named to the group from which inspectors will be picked were Verner Anderson, Lily Farley, Lillian Curran, Richard Berger, Faye Anderson, Mr. and Mrs. Earl Cowman, Amanda Carlstrom, and Elsie Maitland.

Appointment of a library advisory committee was considered and more study will be given the proposal. At present the library is administered by the school. This board could assist in meeting public as well as school needs, it was noted. Earl LeBrasseur reported on attendance at a library meeting in Painesdale.

Attendance by custodians at a school plant meeting in East Lansing in June and a school for boiler and heating operations was informally approved. Use of sick leave credits by Margaret Rousse and Arvid Larson to pay part of costs of education courses was approved.

A letter of commendation on conduct of Manistique band students at the festival in Gwinn was read.

A communication from the Veterans of Foreign Wars stating it no longer would be taking safety patrols to the U.P. State Fair was read. The VFW offered to assist the school by providing adult chaperones to accompany students.

Jim McDonough and John Males, students, presented a check for \$50 toward the new school bus.

Authorization to begin planning for workmen's compensation insurance bids, and coal bid specifications was given. A letter was read from the auditor general stating public hearings must be held before adoption of school budgets. The superintendent was asked to make necessary arrangements to meet the requirements.

John Moffat, Jeanne Larson and Earl LeBrasseur were named to inspect school buildings and facilities for summer repair work.

Mueller: 2-3 year terms - Mrs. William Tennyson and Mrs. Romer Beveridge. 1-1 year term, Mrs. Gunner Jackson. Thompson: 3 vacancies - 1-3 year term, 1-1 year term and 1-2 year term. Seney: 1-3 year term - Laura Hollingshead.

Hospital Auxiliary Spring Dinner

May 25 at 6 p. m. in the St. Francis de Sales School Hall.

Hospital Gets Laundry Bids

Bids for construction of a laundry addition and other remodeling have been received by Schoolcraft Memorial Hospital and decision will be made sometime next week, after review and report by the hospital's architect.

The general contract bidders were Lowell G. Olson, \$45,021; Bradley Construction, \$57,046, and Manistique Builders, \$61,135.

Mechanical bids were Hoholik Bros. Plumbing, \$17,008 and Branci Mechanical Co., Iron River, \$18,270; and electrical, Roemer Electric, \$5574, V&M of Menominee, \$5696 and Rapid Electric of Rapid River, \$8600.

Attends Meeting

Norman W. Jahn, 56, of Cherry St., candidate for the board of education was among persons attending the board of education meeting Tuesday night. Jahn, a 1926 graduate of Manistique High School worked in Detroit and then in construction of the Inland Lime and Stone Co. facility at Port Inland prior to entering business with his father, Henry Jahn. He continues to operate Jahn's Bar. Jahn is married, has a daughter who is a high school sophomore and a son, Norman Jr., who is coach and teaches at Cooks.

At an earlier meeting the board moved to invite candidates to the meetings and to provide them with information regularly given school board members.

Sales Tax Money Is Received

Bill Cowman, County Treasurer, reported that a total of \$17,543.96 in Sales Tax Diversions for the quarter ending March 31st has been received and is divided among the townships and City as follows:

Doyle: \$1,148.56; Germfask, \$1,274; Hiawatha, \$1,362.20; Inwood, \$1,223.04; City of Manistique, \$9,551.08; Fairview, \$1,264.20; Mueller, \$648; Seney, \$462; Thompson, \$609. This is based on \$1.96 per capita.

Briefly Told

Any youngster, 12 or older, interested in a 4-H Garden Club may call Mrs. G. Leslie Bouschor, 341-5798.

Rev. Roy Pitts, pastor of the First Baptist Church, and Mrs. Pitts will attend the American Baptist Conference, which will be held in Atlantic City, New Jersey May 18 through 24.

The First Baptist Church will sponsor a 6:30 p. m. banquet for graduates, their parents and guests at the church Friday May 16th.

The First Baptist Church Women's Missionary Society will meet at the church May 18 at 7:30 p. m. Hostesses will be Mrs. Norman Patz, Mrs. William Andrews and Mrs. Oscar Bloomquist.

The Couples' Club of Zion Lutheran Church will meet Saturday, May 16 at 8 p. m. in the old gym for game night. Refreshments will be served after in Augustana Hall with the following couples in charge: Mr. and Mrs. Rudie Brandstrom, Mr. and Mrs. Karl Krumrey and Mr. and Mrs. Charles Rasmussen. All couples are welcome.

Hospital

Admitted to Schoolcraft Memorial Hospital were Yvonne DeMars, Cooks; Ronald Jackson, 616 Michigan Ave.; Ivan Dawson, Rte. 1; and Donald Vaughan, Indian Lake. Discharged were Vernon Nelson, Judy Thayer, Arthur LaMontagne, Paul Messier, Moses Lannaville, Louis Lauzon, Daniel Erickson, Gayleth Adcox and baby, John Strable, Caroline Miller and Barbara Anthony and baby.

A PEACEFUL USE OF NUCLEAR POWER—Residents of 14 areas in the United States are now using power created by nuclear methods. Twelve more nuclear power reactors— to serve 12 additional areas—will be operational by 1970, according to the Atomic Energy Commission. Today, the nuclear reactors have a capacity of more than 1 million kilowatts; by 1970, about 4 million additional

kilowatts will be available. In the new map above, locations of the plants in operation and the proposed plants are pinpointed. The United States recently announced it will permit international inspection of the Yankee reactor at Rowe, Mass., and challenged the Soviet Union to reciprocate. Russia called it a western scheme to get a close-up look at its nuclear plants.

MOUNTAINS GROW
HONOLULU (AP)—Some of Hawaii's mountains are growing higher as the years pass; others have shrunk.

That's how things appear to be, according to figures recently issued by the U.S. Geological Survey, but they really aren't. It's just that a new and more accurate way of measuring elevation is being used.

A 5,240-foot mountain on the island of Kauai, for instance, is now officially 70-feet higher than in 1910. But Haleakala on the island of Maui—measured at 10,025 feet in 1924—is two feet shorter.

State Briefs

BATTLE CREEK (AP)—Post cereal division of General Foods Corp. announced construction will start today on a 30,000-square-foot addition to its Battle Creek plant. It estimated the cost at \$433,500 in taking out a building permit.

BATTLE CREEK (AP)—Ray H. Merriam, 63, an inspector for the State Board of Examiners of Barbers for 24 years, died of a heart ailment here Tuesday night.

WHITE PINE (AP)—Repairs were being made today to the conveyor belt at the White Pine Mine. Fire Tuesday night damaged the belt and caused the loss of about one fourth of the production. About 150 of the 1,700 workers were laid off temporarily. Repairs were expected to be completed by Friday. The cause of the fire was not given and there was no dollars estimate of damages.

CHICAGO (AP)—The old post office in Owosso, Mich., has been sold to Owosso Modernization and Parking Corp. for \$28,850, the General Services Administration said Wednesday. The property at 119 E. Exchange St. is about a half acre with a partial two-story steel framed brick building.

ANN ARBOR (AP)—John B. DeVine of Ann Arbor is Mount Kilimanjaro.

All-Time High Seen For 1964 In Retail Trade

DETROIT (AP)—Wayne State University will confer an honorary degree of doctor of humanities Tuesday on Dr. Elihu Elath, president of Hebrew University of Jerusalem.

DETROIT (AP)—The former headquarters of the Army Tank-Automotive Center is for sale. The General Services Administration said Wednesday it will accept bids May 18 on the seven acres and eight buildings.

PONTIAC (AP)—Two men were convicted of abortion charges in Oakland County Circuit Court Wednesday. The pair, Orville Springer of Pontiac and Kenneth Redwitz of Flint, will be sentenced May 19. Redwitz was brought here for the trial from Southern Michigan Prison where he has been serving a four to five-year term for arson.

He spoke at a luncheon sponsored by the Retail Merchants Association of Houston and the Texas Retail Federation.

A prominent banker talks about U.S. Savings Bonds

"U. S. Savings Bonds are one of the foremost instruments for advancing the cause of thrift and encouraging habits that contribute not only to individual security, but also to the stability of our nation."

"In addition to the benefits of personal and family security which Savings Bonds bring, a significant portion of government financing is handled in a noninflationary manner when a sizable amount of the federal debt is placed in the hands of millions of Americans."

"I urge continued support of the Savings Bonds program as a means of accomplishing these worthwhile ends."

William L. Kelly

President, The First Pennsylvania Banking and Trust Company, Philadelphia, Pennsylvania; President, American Bankers Association

Social Security Going To 1 In 7 In Delta County

By ARNOLD T. WILLIAMS
Social Security District Manager

May is Senior Citizens Month. Ever wonder just how many people in the United States are age 65 or older?

During this century, the U.S. population 65 years old and over has grown rapidly both in numbers and as a proportion of the total population. In 1900, only four per cent of our people were in this age group; by 1960, the figure had risen to nine per cent. By 1980 it is expected that senior citizens will comprise 10 per cent of the population.

In Delta County about one out of every seven residents is now receiving a monthly social security check. The number of Delta County beneficiaries was 4,408 at the end of 1963, an increase of 176 over the corresponding figure at the beginning of 1963. The dollar benefit amounts total more than \$34 million yearly.

Retired workers are the largest single group of social security beneficiaries in the county. There are 2,347 in this group and their old-age insurance benefits total \$172,552 monthly.

The social security benefits are important to the community as well as to the people who receive them. Almost every dollar of social security benefits coming into the county is spent each month in local businesses for food, clothing, shelter and other essentials. In this way, the benefits have a stabilizing effect on the local economy.

The number of social security beneficiaries will continue to increase in the future, but at a much slower rate than in the past 10 years. Nationally, the social security benefits rolls increased from about 5 million people in 1954 to more than 19 million at the end of 1963. This rapid growth in the beneficiary population resulted from major amendments to the Social Security Act from 1950 through 1961.

groups, resulted in several million people whose work was brought under social security and are now receiving benefits. Others qualified through amendments which reduced the amount of work needed to get benefits.

One change—lowering the age at which older people can get benefits from 65 to 62—accounts for 1.8 million out of the 19 million people now entitled to benefits. The amendments also introduced a new protection under social security—disability benefits—and 1.5 million disabled workers and their dependents now receive benefits under the disability provisions of the law.

THEN I DISCOVERED
SUPER-DRY ANTI-PERSPIRANT

Now there's really positive protection against underarm moisture and odor. No more stained clothes! No more embarrassing moments! Super-Dry is an anti-perspirant you can depend upon. It is a new product of the 53-year-old Ever-Dry company whose anti-perspirants and deodorants are so popular with people in California and the deep South where perspiration is a never-ending problem. Try Super-Dry yourself and if at the end of two weeks, you're not firmly convinced it is the best anti-perspirant you've ever used, return the unused portion for a full refund. The \$3.00 package lasts three to four months. \$3, plus tax.
